

2021 Backcountry Stream Corps CALL FOR APPLICANTS & JOB DESCRIPTION

High School-Aged Students Volunteer* Opportunity with Watershed Education Network (WEN)

*Stipends provided

WHAT: The Watershed Education Network (WEN) is offering a Backcountry Stream Corps (BCSC) Summer Monitoring Program and are **now recruiting high school age youth who are interested in working outdoors to become part of a 5-6 member crew this summer, late June - July, 2021.**

WHO: High school-aged youth (15-18 years of age by June 1, 2021) who have interest in and ability to work outside and in the Rattlesnake Creek Watershed rain or shine. We are seeking individuals that are experienced mountain bikers, enjoy walking/hiking, comfortable in a stream or river (approx. knee level). We are also seeking individuals that are good at following directions, completing tasks, and working collaboratively as part of a team. We are looking for a wide variety of crew members. WEN welcomes, embraces and respects the diversity of all people, identities, and cultures and we encourage anyone interested in a **2 week stipended volunteer position** in the outdoors to apply.

WHEN:

Orientation - **Sunday , June 27th 1 - 3 PM**

Field Work - **Monday, June 28th - Thursday July 1st (4 days)**

Field Work - **Tuesday, July 6th - Friday 9th (4 days)**

Field work days will run approximately from 8:00 am-5:00 pm with a lunch break.

STIPENDED POSITION: Backcountry Stream Corps crew members will be paid a stipend of **\$200** at the end of the two weeks. (*daily rate perspective = \$25/day*)

WHAT: Students will be trained and supervised by WEN staff; training will include stream monitoring training, GPS 101, Leave No Trace principles, and safety gear. Indigenous land acknowledgment and Native American cultural connections will be an integral part of each day.

WHERE: Rattlesnake Creek, monitoring area is within the Rattlesnake Recreation Area. Crew will bike to sites.

Additional Details:

- Additional information and WEN guidelines for COVID-19 will be available on the website including hiring paperwork.
- Transportation to Rattlesnake trailhead from town may be provided by WEN staff if needed. Due to COVID-19, we encourage crew members to meet at the trailhead for field days. Missoula Mountain Lion Bus is an option as well.
- All stream monitoring supplies, including waders will be provided by WEN.
- Crew members **must** be able and available to work at remote monitoring projects throughout the session time-line

- Crew members will need appropriate outdoor work clothing such as “Carhart” type work pants, sturdy work/hiking boots, rain gear, and a backpack. If you are unable to provide this gear, this does not disqualify you for the position, but please let us know prior to accepting a position so WEN can work with you on obtaining these items.
- No housing is provided.
- Daily lunch is crew member responsibility; snacks will be donated by local businesses in Missoula.
- WEN’s staff will provide our COVID-19 parameters which the summer Backcountry Stream Corps will be adhering to; and we will make any adjustments to COVID prevention measures this summer.

To apply: To apply, fill out the online Google Application Form, found online at: www.montanawatershed.org.

Applications are **due by Saturday, May 1st** by 9:00 PM

For any questions or to get additional information about the summer monitoring project, see the WEN website under the ‘Program’ tab and look for Backcountry Stream Corps, email me at aissa@montanawatershed.org, or call WEN’s office at **(406) 541-9287**.

To learn more about your leader, Aissa Wise, please visit the “Meet the Team” tab on the WEN website.

We look forward to your application!

Cheers,

Aissa Wise (She/her)
